

January 24, 2019 - OMEGA MODERN is a new style with clean pixels and vibrant colors. Let your imagination run wild with tile sets for modern cities. Omega Modern is a new brand from OMEGA that includes kits for building cities and buildings. The kits consist of blocks that can be cut and shaped to any shape, as well as various additional components that can allow you to create any architecture and add details. There are other elements in the sets that can add even more detail and variety to the game. With OMEGA Modern sets, every child can build buildings with their own character.
